

The Town Record

(Continued from Page 1)

she was probably one of not more than three or four people in the Bay Area who was enjoying one at that particular moment.

...Ah, memories to cherish.

Sick-listers: Police Matron JUANITA GIUSTI was away from her constabulary duties this week. JOE McGRATH, Jeff Hi football coach, has also contracted a flu bug or one of its brethren and is home for the while.

Campaigning: Announcement was made this week that DELL FEHL of 130 Willits street will handle the stumping for DEL WILSON'S campaign.

MRS. JOHN B. DRYE, wife of the council hopeful, was among the dockside crowd gathering when the U.S.S. Yorktown came home recently. She was on hand to greet ROYAL WEST, a relative. When West has a leave he divides it between visiting the Dryes in Daly City and other friends in San Mateo.

Candidate SANFORD G. VICKERS, who is a locomotive engineer, once was at the controls when the president was aboard.

Council aspirant MICHAEL DE BERNARDI has to hustle. Goes to work at noon in a super market, comes home at night and campaigns.

Few know it but PAUL GREEN is a wicked man with a fly-casting rod. JAMES KENNEDY seldom plays golf but when he does he usually beats all comers. Shoots half-a-dozen times a year, then in the high 70s. MAYOR ANTHONY GAGGERO is probably the busiest of the incumbents—President of the county fair, member of the sanitation district and sundry other organizations too numerous to count.

SURPRISE PARTY GIVEN HEAD OF AUXILIARY 2044

Mrs. Elizabeth Sorenson, president of Old Glory Auxiliary No. 2044, VFW, was given a surprise party at the home of Mrs. Lena Pardini on Crocker avenue on Friday evening.

Mrs. Josie Valenti, senior vice president, with the help of several of the members, saw that the reception room was beautifully decorated.

A gift was presented to the president from the members of the Auxiliary.

The following were present to enjoy the evening and pay respects to the gracious president: Mesdames Ruth Brulez, Mary Conti, Ruth Correll, Camilla Beckett, Eleanor Cochran, Rose Doolin, Bonnie Ellenwood, Marie Gehrig, Loretta Hancock, Elsie Ireton, Marjorie Johnson, Leona Lombardi, Bertha Monday, Catherine McKeown, Hazel McKillrick, Florence Nesby, Clara Poket, Lorraine Schneider, Pauline Valenti, Evelyn Webb, Rae Brulez, Kenneth Doolin, Alex Aluburtus, Earl Cochran, Joe Crowley, Joe Gehrig, Charlie Ireton, Glen Deming, Mirle Nesby and Paul Pardini.

Lake Merced Post Names New Officers

Lake Merced Post 9921 VFW, Ladies Auxiliary, held nomination and election of officers for the 1954-55 term at the Broadmoor community center last week.

Mrs. Anita Woods, 160 Wyandotte street, Daly City, was elected president. Mrs. Woods has been very active in local and San Mateo-Santa Clara County Council activities for the past five years. Elected with her were the following officers: Senior vice president, Maryann Read; junior vice president, Alice Mayville; treasurer, Stella Magoon; chaplain, Edith Solbakken; conductress, Hazel Eagleton; guard, LaNita Dunn; trustees, Tania Earl and Renata Costa; delegates to county council, Jean Cuykendall and La Nita Dunn; alternate delegates to county council, Stella Magoon and Tania Earl; delegates to district, Rose Fisher and Maryann Read; alternate delegates to district, Renata Costa and Alice Mayville.

Guests at the meeting were Mrs. Elizabeth Sorenson, president, Ladies Auxiliary Old Glory Post 2044, Daly City, and Mrs. Lorraine Schneider, past president, San Mateo-Santa Clara Counties Council.

Plan are underway for a joint installation with the Lake Merced Post to be held Saturday evening, April 10, 1954, at the Colma Community Center, Dunk street.

First Gas Turbine Auto Goes On Display April 4th

Northern California will get a chance to see America's first gas turbine automobile, 10 other experimental "dream cars," and hundreds of additional exhibits when General Motors brings its Motorama of 1954 to San Francisco soon.

The Motorama, biggest and most varied show ever presented by General Motors, will be open to the public in civic auditorium, March 27 through April 4. Admission will be free.

Features of the giant show range from GM's 1954 production cars and other products to more than 100 engineering and research exhibits and the spectacular "dream cars"—including the XP-21 Firebird, first gas turbine car ever built and tested in the United States.

Of special appeal to women will be a display of glamorous feminine fashions and a "Kitchen of Tomorrow."

Entertainment will include a stage show with a Broadway cast, music by a 27-piece orchestra and 12-voice chorus, and wide screen movies. The 30-minute stage show is scheduled six times daily.

The movies, shown on a screen 38 feet wide and 17 feet high, include dramatic sequences of the Firebird in action.

The San Francisco show is the Motorama's last scheduled appearance this year. Huge crowds saw it earlier at New York, Miami, and Los Angeles.

Hours will be 10 a.m. to 11 p.m. daily, except March 28 and April 4—both Sundays—when doors will open at noon.

Brownies Entertain Fathers

On Thursday the Brownie Scouts of Broadmoor Village entertained their fathers at dinner in honor of the birthday of Girl Scouts of America, and honoring also "Brownie Dads." The dinner was held at the Community Presbyterian church at 6:30 o'clock with 120 girls and dads present.

The table decoration prize was won by Troop 27 under the leadership of Mrs. Dewey Vladyka. The table was decorated in the St. Patrick's Day theme with green calla lilies on a green and white striped table cover. There were many shamrocks in evidence with place cards and green napkins.

The troops participating were: Troop 27—Mrs. Vladyka, Mrs. Frisch, Mrs. Rice, leaders.

Troop 24—Mrs. Mori, Mrs. Du-Berry, Mrs. Johns, leaders.

Troop 68—Mrs. Dier, Mrs. Richardson, Mrs. Schaeffer, leaders.

Troop 73—Mrs. Crabb, Mrs. Silvestri, leaders.

Troop 129—Mrs. Driscoll, leader.

Two Daly City Coeds On SMJC Student Board

From Daly City two women students at San Mateo Junior college will serve on the Associated Women Students Board this semester. They are Jan Sproule and Arleen Pool.

The Associated Women Students are responsible for college social events in which all women students participate. Faculty Advisor is Mrs. Ruth Weston, Director of Student Personnel. Barbara Betka of Burlingame is A.W.S. President for the spring semester.

West Of Twin Peaks Lions Name Speaker

West of Twin Peaks Lions club speaker for this Friday's meeting will be Jesse Levin, one of the group's charter members and a leading West Coast theater owner.

He will speak on "The Movie Industry Today."

Chairman of the day is Dick Warfield. The following prospective members will be declared elected if no objection is given to Chairman Leonard Eastham by March 24: Harry H. Hastie, 1418 Ocean avenue; Roy D. Penry, 6 Stonestown; and Harold Spears, 307 San Leandro way.

THRONG ON HAND FOR PINOCCHIO STAGING

A turnout of more than 1000 youngsters watched entranced Saturday at Jefferson High school auditorium as the San Francisco Little Theater staged "Pinocchio."

The co-ordinating committee extended their thanks to the Daly City police department, fire department, auxiliary police, and all those who helped make the show successful.

Proceeds from the show will be divided between the Jefferson Elementary School Welfare Fund and the Jefferson High School Scholarship Fund.

OBITUARIES

John A. Faust

Funeral services were held Wednesday from W. C. Lasswell & Co. for John A. Faust, 42, who passed away Sunday in his home at 11 Village Lane, where he had resided for six years.

He is survived by his wife, Esie Faust, and his parents, Fred A. and Ota Faust.

The deceased was a member of the Clarksburg Masonic Lodge No. 155, F & AM, Delta Tau Delta fraternity of Ohio Wesleyan University, and a World War II veteran.

He was a native of Clarksburg West Virginia.

Interment was held at Golden Gate National Cemetery.

Ida Santos Smoot

Mrs. Ida Santos Smoot of 1175 Brunswick street, died Monday at Mary's Help hospital in San Francisco after a short illness.

A native of California, she is survived by her husband, Henry; a daughter, Mrs. Louise L. Martin, nine sisters, one brother, and two grandchildren.

Last rites were held yesterday (Thursday) morning from the mortuary of W. C. Lasswell & Co. Requiem High Mass was recited at 9:15 a.m. at Our Lady of Perpetual Help church.

Rosary was said Wednesday night. Interment was at Golden Gate National Cemetery.

The Tocantins river, which rises in southeastern Brazil, is approximately 1700 miles long.

CAR BOOSTER GETS \$250 FROM AUTO

A Daly City man lost an estimated \$250 in tools and television supplies Saturday night when prowlers broke into his auto parked in front of his home.

Kenneth Ayoub, 866 North Mayfair drive, said when he examined the auto Sunday morning he found that the back door had been forced open and his tool box taken.

Contained inside were an assortment of tools and TV and radio tubes.

"I ironed for 5 people last month for only 28¢"

says Mrs. W. H. Davis a newcomer to San Jose

The Davises, their two children, and Mrs. Davis' mother, moved to California a few years ago. "And it didn't take long for us to see how much cheaper gas and electricity are out here," says Mrs. Davis. "We use them a lot for more pleasant living, and they give me enough free time to help my husband in his business."

How cheap gas and electricity served the Davises in a recent month

9 hours, electric ironer	28
150 hours of lighting	1.40
2 electric clocks	.12
130 hours of television	.67
9 hours of vacuuming	.08
30 days of refrigeration	.83
80 meals cooked (for family of 5)	.80
2000 gallons of hot water for 85 baths	.82
20 loads of clothes	.23
35 hours of dishwashing	.15
daily shaves and washups	.07
5 hours of scrubbing	.01
20 loads, automatic washer	.08
275 slices of toast	.12
95 hours of radio	.22
30 days of gas heating	5.29
waffle iron	.04
mixer	.04
P.G. and E. bill for the month	\$11.25

Average cost per day: 36¢

Where the Davises used to live, the same amount of gas and electricity would cost \$15.80

Count the appliances in your home. Think of the work they save you, the free time they give you. Now divide your P.G. and E. bill by the number of days in the month to get the daily cost. Isn't it true that day in, day out nothing else gives you so much for so little? 6X-W-324

Gas and electricity are cheap in California!

Food For County Thought

The inequities of service existing between the north and south ends of San Mateo county are old hat.

With the county courthouse and county politicos located in Redwood City it isn't too hard to understand why the north end is continually shunted.

However, a worthy proposition that would tend to eliminate this disparity has been mentioned with increasing popularity recently. This is the establishment of a county courthouse "annex" that would serve as a house of transactions for north county residents.

A location perhaps in San Bruno or Millbrae probably would be ideal. A population concentration survey could settle the location problem.

But we feel it is highly unjust that Daly City, Colma or residents of other north county communities have to travel all the way to Redwood City to discuss property taxes or file an application with the planning commission.

Such an "annex" would, in addition to rendering a great service to north county residents, reduce the burden of transactions that must be handled in the Redwood City office.

The "annex" could be staffed by a deputy recorder, deputy clerk and the few secretarial personnel necessary to carry out the work.

The north county "annex," we believe, would add immeasurably at least at first. If the county could see fit to rent or lease a building that would suffice to start with.

The north county "annex," we believe, would add immeasurably to the efficiency of county proceedings, and, at the same time, make a lot of people in this end of the county feel a lot less bitter and disgruntled about goings on under the county courthouse dome.

Cutting Down Tragedy's Chances

About a year ago there was a great hue and cry when Daly City police started tagging cars parked all night in the street.

The local department tempered the law with leniency when they discovered there were just too many cars or not enough parking spaces.

But this street parking problem is still with us, and one of the more serious aspects of it is that it tends to increase pedestrian injuries, especially among children.

When children, who are not visible above the body of the car, pass between parked vehicles to cross the street it poses a strong accident potential.

We admit there just isn't enough parking to go around, but those persons who have access to off-street parking should make use of it.

The more cars parked off the streets, the less chances there are for tragedy to strike.

Letters To The Editor

Functions Of City Of Hope Told By Reader

Dear Sir,
There are quite a few people who are totally unaware of just what the City of Hope is.

After reading this article I hope that you not only know, but will realize what a grand thing it is and will be anxious to join and help make it well known.

The City of Hope, founded 40 years ago, is a national medical

center whose hospital is dedicated to the treatment of cancer, leukemia, TB and heart diseases. All medical services are free and patients are admitted on the basis of the need, regardless of their race, religious or national origin.

The City of Hope is maintained by people from every walk of life, who have banded together into auxiliaries such as the one being formed here in Daly City by myself.

Medical and surgical care are but a part of the program at the City of Hope.

At present our aim is to erect a wing for leukemia children at the City of Hope at Duarte, Calif. I'm sure everyone that reads a newspaper knows how desperately a hospital such as this is needed. The City of Hope Auxiliary in Daly City is being formed for just that reason, to help in its small way to save some child's life.

March has been proclaimed Leukemia month.

The slogan for every day of the year is, "Give—that a child may live."

Anyone interested in joining or helping in any way may call me at PL. 5-0902 during the day and PL. 6-1856 after 6 p.m. at night.

Lynne Boskey

UC OFFERS COURSE ON SHORT STORIES

Housewives and others who would like to develop their writing abilities but are unable to attend evening classes, may be interested in a University of California Extension course in short story writing to begin at 10:30 a.m., Tuesday, March 30, in Room 206 of the University Extension Center at 540 Powell street in San Francisco.

The course, to be taught by A. Marshall Harbinson, will consist of ten hour-and-a-half weekly meetings. Further information may be obtained from the University Extension Center or at the class's first meeting.

My Mad World

By Leonore Brewer

Reading the column during the past month or so, you might get the impression that the writer lives almost exclusively inside the theatres and the opera house and never descends to such lowly pleasures as a night at the movies.

Well, you'd be wrong. And to give you an idea of just how far down we can go, we saw "Sadie Thompson" (excuse us, "Miss S. T.") the other night. Memory tells us that when it played on Market street it was in 3-D, but the version we saw was flat. And that's as good a word for it as any.

The best we can say for it is that it's in Technicolor, and that it is suitable for those nights when you feel unequal to deciphering a complicated foreign plot and desire just to vegetate with the mind in creper gear.

In the role of the sergeant, written in by Hollywood to redeem the wayward Sadie, Aldo Ray, gives his usual thick-skulled, nasal-voiced performance. Since the armed forces do not seem to be organized to protect themselves against such minor slanders, this is the customary screen sergeant and Aldo Ray should have a long and remunerative career portraying them.

It is doubtless unnecessary to tell you that "Reverend" Davidson has been changed to "Mr." but we do feel that you should be warned that Jose Ferrar completely failed to project the combination of sanctimony and lust essential to the role. Since his previous screen characterizations have been admirable, it is interesting to wonder just how much of his wooden performance was his fault and how much was the fault of the director, aware that he was handling a delicate theme doomed to censorship troubles.

This leaves us with just Rita, doesn't it? Depending upon your age and sex, you might be very happy to be left with Rita. Her flamboyant beauty is as striking as ever, and her much publicized dance aroused the wrath of the guardians of the public morals.

Human nature being what it is, censorship difficulties usually have a bolstering effect on a sagging box office, as thousands rush to plunk down their money to see what all the shouting is about. Had the censorship boards merely labeled the film "dull," a couple of hours out of countless lives may have been better applied and the studio might just possibly have been discouraged from again spending so much on so little. Unfortunately the censors did not choose to do so.

What a pity.

Hey, MR. HAL HONORE! Have been intending to accept your invitation to drop in and visit you at the SEA-VUE. Perhaps after the above I should throw my hat in first.

Safety News From Your Local Police

Planning a trip to the snow?

In case you are, here are some helpful suggestions intended to add enjoyment and safety to the trip.

"First," be sure to include a set of skid chains in the car and pack them where they can be easily reached when you arrive in snow country.

When you reach a sign stating "chains advised," you have reached a logical spot to stop your car and put on the chains. It is very probable that you will find another sign not too far up the road which will announce "chains required." This point will be the end of the road unless the car is equipped with chains.

Motorists are warned that even with chains an automobile is difficult to control on ice or snow if operated at speeds that would be reasonable on dry pavements.

Another definite hazard in the snow areas is slick ice. This is caused by alternate thawing and freezing and is usually found in shaded areas. Watch for these spots and slow down before hitting them. Whenever you do, don't apply the brakes while traveling over these areas, and, if your car does start to skid, turn the front wheels in the direction of the skid.

Enjoy the snow areas of our state, but remember, driving conditions are much different than experienced in your normal driving.

Accident Report (March 7 to March 14)

Total: Eleven.

Breakdown: Eight auto-auto; property; one auto-motor scooter; one auto-horse drawn wagon; one auto-pedestrian.
Injuries: Five.

Committee Former Judges Endorse Aylett R. Cotton

A committee of former judges in San Mateo county today endorsed Superior Judge Aylett R. Cotton for reelection at the June 8 primary.

Raymond J. Daba, former San Mateo judge and chairman of the committee, said the formation of such a committee is unprecedented in recent San Mateo county politics.

"The judges are keenly interested," Daba said, "in preserving the high esteem now held by members of the San Mateo county bar for the superior court."

"Because of Judge Cotton's long record of distinguished service," Daba added, "the committee of judges strongly urges his retention on the bench."

"A leader in California's judiciary for two decades, Judge Cotton is eminently qualified to continue as judge of the superior court," Daba said.

The judges' committee includes Francis Murphy of San Mateo, Rudolph Rappey of San Bruno, J. A. Branson of Burlingame, John J. Fahey Jr., of Daly City and John W. Dinkelspiel of Atherton.

Judge Cotton, dean of San Mateo county jurists, has served the county since his appointment in 1935. He was reelected in 1936, 1942 and 1948.

Penaluna Named To Head Taggart Drive For Congress Post

Dr. Harold F. Taggart, San Mateo, Democratic candidate for the U. S. House of Representatives from the 9th Congressional district, today announced selection of William W. Penaluna, San Mateo attorney, as chairman of his campaign organizing committee.

"I feel signally honored to have been tapped for the job," said Penaluna, in commenting on his acceptance.

Born in San Francisco, where members of his father's family have been active in civic and legal circles for many years, Penaluna has lived in San Mateo most of his life. He attended the local public schools and the junior college before enrolling at the University of Santa Clara which granted him his law degree.

The chairman already has some of his committees set up with the initial personnel appointed. The number of committees and members will be increased as the campaign progresses, he stated. Present committees and those who have agreed to serve are:

General organization, Donald Cherry, high school teacher, Redwood City, chairman; Mrs. Edna Calhan, housewife, Sharp Park; Melvin E. Cohn, San Carlos attorney; Joseph Fulford, labor leader, Pedro Valley; Carl Jones, civic and labor leader, Lomita Park; Evans Wychoff, school textbook agent, Menlo Park; Jack Howell, labor leader, San Mateo.

Policy, Frank Rose, San Mateo attorney, chairman; H. Stuart Hughes, Stanford university professor, Menlo Park; Mrs. Ann Benner, civic leader and housewife, Hillsborough; Thomas M. Jenkins, San Francisco attorney, Colma; Mrs. Bernice Phoenix, club leader and housewife, Redwood City; Roy A. Archibald, San Mateo Junior college faculty, San Mateo.

Finance, Gregory Davis, San Francisco investment counselor, San Mateo, and Marion Kent, Peninsula real estate broker, Hillsborough.

There are 170 million acres of vacant public land still available as homesteads in the United States. Alaska has 270 million additional acres. — CHANGING TIMES.

Council Campaign Continues

GAGGERO CALLS ATTENTION TO STREET LIGHTS

Mayor A. J. Gaggero, candidate for re-election to the Daly City Council on Tuesday, April 13, called attention today to the fact that new street lighting facilities have made Daly City one of the safest cities in the nation.

The National Safety Association has awarded the city a safety plaque for being one of the few municipalities without a traffic fatality in 1953. The Association attributed this record to good street lighting and the police department.

"Mercury street lights the length of Mission street have made it the best-lighted strip of El Camino Real in the entire state," Gaggero said.

Gaggero pledged a continuing program of more progress and improvements in his candidacy for re-election.

Installation of traffic signals on Alameda Blvd., at Lake Merced Blvd., Lynnwood drive and Park Plaza drive are in process at the present time, Gaggero said.

People Kept "In The Dark" On Action Says De Bernardi

Council Candidate Michael De Bernardi said this week that "too long the people of Daly City have been in the 'dark' as to what is going on in their city government."

He continued by saying, "I have taken a firm stand in the belief that an enlightened public will bring about an interested public and in turn an interested public will help to attain my goal—better city government."

"Our present administration has in no way tried to inform the general public on any issue. You can plainly see the results," he said.

De Bernardi concluded by saying, "If elected as councilman I shall immediately set about to publish a weekly report to the people of Daly City. In this way the public can be shown who runs the city—the people or the puppeteer."

Incumbents Let Problems Pile Up, Owen English Says

The expression, "Anything you can do I can do better," exemplifies the trend of campaigning to be followed by the numerous candidates for councilmen of Daly City, Candidate Owen D. English said today.

"A chain of causes and effects were permitted to pyramid under the noses of the incumbents without their attention being directed toward a swift mastery of the situation. One neglected problem was heaped upon the other in an endless array," he added.

"Our problems are not so isolated from each other that they may be segregated and remedied by the slipshod improvement method of the present administration. No eleventh hour strategy to perpetuate themselves in office by carelessly planned projects, dedicated to special interests, will for long escape the inquiry of the electorate. Wholesale waste of the public funds must stop now if sound economy is to be the slide-rule of tomorrow's planning."

Vickers Cites Job On Brunswick As Trio's "Progress"

Labelling the Brunswick street extension "the biggest and most costly fiasco in the history of Daly City government," Candidate Sanford G. Vickers said today that the incumbents campaign of "progress" seemed a bit out of line.

He said the extension has "cost the taxpayers nearly \$100,000 to cut through a few hundred feet of rock."

"In addition," he added, "there are some \$125,000 in damage suits pending against the job, which is still a long way from being finished."

"Off and on, the Brunswick street job has been in progress more than two years," he said.

"To me," Vickers continued, the Brunswick extension is a fine example of the incumbents' type of "progress."

GOAL OF 45,000 IN SIGHT, SAYS PAUL GREEN

Councilman Paul Green said today that Daly City, with a population of 24,000 citizens, has a goal of 45,000 in sight.

Green pointed out that the city has more than doubled in population since his first election to the council in 1946.

"This growth and development is a healthy situation," Green declared, "and the added assessed valuation has already resulted in more improvements at lower taxes. We have a \$396,000 water department expansion program under way, plus a \$176,000 improvement program for the fire department—which will be accomplished without raising taxes one penny."

The incumbent councilman said he hoped improved transportation would result from the increased population and said the city council and Daly City Chamber of Commerce were cooperating in negotiating with Muni Railway officials and private operators to bring better public transportation facilities here.

Del C. Wilson Calls For Transportation And Medical Center

"In the two years that have passed since I last ran for this office my efforts to obtain transportation for the neglected portions of Daly City have been unceasing and un-cooperatively received by the present administration," said candidate Del C. Wilson today.

"It is my firm belief that adequate transportation can be had—and cheaply too! Just as firmly I believe that Daly City is entitled to free emergency medical treatment such as is given in San Francisco—and that a strong stand with county officials can bring such an emergency center into being. We have already paid the piper in San Mateo county and are now entitled to hear a little music," Wilson said.

Announcing his slogan, "Help me to Help Yourselves," Wilson called on Daly City residents to cast their votes for better government in the April 13 election.

John Drye Says Growth Problems Haven't Been Met

"Daly City having an accelerated growth during the past five years has created many problems which have not been met in advance and have caused much inconvenience to its citizens," Candidate John B. Drye said this week.

"Its continued growth demands that these topics be met with forward thinking and planning so as to minimize these subjects as well as to correct the problems now in existence. Two major problems not being met adequately are transportation and off-street parking. There is also a great demand and need for expansion of recreational facilities," he continued.

"Union among all factions of our community is most urgent, possibly more now than at any time in the history of Daly City. Unity and proper discretion between these factions must be insured by the public servants of your community."

Kennedy Cites Plan For Better Parks And Playgrounds

Councilman James Kennedy announced today that plans already formulated will result in better parks and playground facilities in Daly City. Kennedy is a candidate to succeed himself on the City Council at the April 13 election.

"We have completed Marchbanks park, Union park, and have made improvements at Lincoln and Frankfort playgrounds," Kennedy said, "and our new recreation commission will follow thru with development of Westlake park and completion of an addition to Lincoln park on the Winchester street side."

The incumbent councilman pointed to the War Memorial Community Center as an example of first-class recreation facilities.

Kennedy pledged his continued efforts to give Daly City residents additional recreational facilities, in his campaign for re-election to the city council.

Ridgely Cummings Reports

Next to opening night, one of the most pleasurable aspects of putting on a play is the cast party that is held a few nights later, usually on a weekend when nobody has to get up early the next morning and the revelry can continue unrestrained by thoughts of drab routine.

These cast parties are great fun, though most of the humor is of restricted appeal, revolving around the lines and situations of the particular play whose appearance is being celebrated. There are many references to the crises that attended its rehearsal and presentation. A detached observer might be somewhat puzzled as to what all the whooping, laughing and cryptic allusions are about. But to those who have participated in the production it proves irresistible.

A Partying Nature
The people connected with "All My Sons" were of a partying nature. Our lack of economic sinews was counterbalanced by a great appetite for coffee and conversation. Therefore we had a cast party not just once but on the average of every other night during our ten day run.

Out of one of these parties came a pretty fair appraisal of the play. Arthur Miller wrote the thing and when we first started rehearsing I was convinced we were involved in putting on a great work of art. But the more often I read the play and heard the lines recited and watched the performances, the more I became convinced that the suicide of the father in the last act was not properly motivated and that in reality the writing was decidedly weak and spotty, the psychology of the characters was sketchy and the play far too great.

I wouldn't go so far as to say it is an inferior work but certainly it won't live in dramatic history and nobody will remember it ten years from now, except people like the dozen of who lived with it so long and worked so hard to get it on stage that we will never be able to forget it.

Unethical In War
This particular cast party was held in the home of the mother of one of our actresses. The actress was Helen Darby, who herself

played the part of a neurotic mother in the play, a character who refused to believe that he son had been killed in the war but who, despite her self-deception, was shrewd enough to suspect that her husband had been unethical in accumulating war profits.

Our best customers during the run of the play had been friends and relatives of the cast. Helene's mother was one who had come to the performances. She had been tremendously moved by what she saw and especially by her daughter's devotion to her stage husband, the father of all the sons.

On the night of the party when she was introduced to Gene Lawton, who had acted the role of the hero, her greeting to him was:

"Ah, so you're the boy who nagged his poor father until he killed himself."

Remark Was Funny
We all thought her remark was tremendously funny at the time and went around repeating it to each other, laughing at this unsophisticated reaction. It wasn't until later that I began to realize that she had put an unerring finger on the play's weakest point. Earlier I had said that the suicide seemed unmotivated or not properly induced but Helene's mother got right down to fundamentals when she said the playwright had arranged for the son to nag the father to death.

Aside from the fact that "All My Sons" failed to stand the test any play must face as it goes through rehearsal and production, the test of close and continued examination, it was a success so far as those who saw it only once were concerned. Reviews were mildly favorable and audience reaction varied from polite acceptance to enthusiastic approval.

Reward Enough
That was reward enough, for people who are close to the little theatre movement seem to be firmly convinced, like those who go to church, that virtue is its own reward. To actually put on a play seems to satisfy the aficionado.

Production was not easy. In fact that is a gross understatement of our difficulties. What we lacked was a financial backer, a person known in theatrical parlance as an "angel."

Not only was everybody connected with the play dangle financially in the lower economic brackets, the habitual state of actors, artists and writers awaiting recognition, but a third of our cast was unemployed and living on their \$25 a week unemployment pay.

TV'S EFFECT ON YOUNGSTERS DISCUSSED BY PANELISTS

EFFECTS OF TV on children was the topic for these panelists who appeared last week before the James L. Snell PTA. The TV executives answered prepared questions on the new medium and PTA officials reported the program was greeted with enthusiasm by members. Shown here (left to right) are:

Doug Elleson, KRON program director, Thomas Jenkins, moderator, Jonathan Rice, KQED program director, and Bill Dempsey, KPIX program director.

The night that news got around some of the chins fell nearly to (Continued on Page 4)

YOUR NEIGHBORS AND MINE

By Betty Brush

Hello, Neighbors:

This last week we have been treated to all kinds of weather as well as all kinds of news. First we had rain, then hail, sun, wind, and then a beautiful weekend, followed by more storm. Weather seems to hold no one home and the neighbors kept on the go as usual.

The first birthday to be celebrated was had by little STEVEN BOWEN, who has reached the fine age of five years. He had a grand day with a party and lots of his little friends as well as his family were there to help him celebrate.

It's always nice when one's children come home, and MRS. MARIE MARKGRAF of San Jose avenue really is a happy person. Her daughter, KAY, has decided to return to our town to live with her mother after a few years of working in the city. Kay is like the rest of us—just can't get away or stay away from Daly City. Welcome home Kay, from all the neighbors.

An old time former resident passed away last week, MRS. HELEN GRANTHAM of Lodi will be missed by her many friends as well as her family. She was an active club member while here, belonging to the Hillcrest Circle No. 143 UAO and since 1930. The services were conducted by the Circle last Friday from W. C. Lasswell & Co.

Items of Interest

Another of the neighbors having a birthday this week is MRS. LOUISE CROWLEY of Santa Cruz avenue. While not having a party in the usual way with the ice cream and cake, she had best wishes from her family and all her friends. The happiest of birthdays is wished her from all the neighbors, too.

Do you like to play cards? Do you like pleasant companions and lots of fun? Do you like to see your neighbors and have a good time? Well, the place to go is to the whist being held at the Masonic Hall on Monday, March 22. This event is sponsored by the Hillcrest Circle No. 143 UAO and as all the neighbors know a good time is always had at these affairs. The whist will be in the capable hands of MESSADES DOLLY BRUSH, MARIE MARKGRAF and EVELYN HUTCHINGS. As these ladies are all well known a large turnout is expected. The time is 8:30 and the whist starts on time so don't be late.

A very beautiful wedding was held in our town last Saturday afternoon. MR. JOSEPH LUPRANO bestowed his name upon MISS CONNIE BROWN at a 3 p.m. ceremony held at Our Lady of Perpetual Help church with the Rev. Norman Allen officiating. The bride wore a ballerina length wedding dress of nylon net and carried the traditional bridal bouquet. The matron of honor, MRS. MARILYN PISSAGLIA, wore a ballerina length gown of deep rose nylon net. The groom's mother, MRS. ROSE LUPRANO, was attired in a black faille dress with pink accessories and a very beautiful orchid adorned her shoulder. The bride's mother was attired in a dark blue coat dress with blue accessories and also had a very beautiful orchid. The reception was held at the home of MR. and MRS. JOSEPH LUPRANO of Santa Barbara avenue, who were the hosts to over two hundred friends and relatives who came to toast the bride and groom.

Joe graduated from Jefferson and spent two years in the U. S. Army with eleven months of that time spent in active duty in Korea. He is now employed by the Alhambra Water Company of San Francisco. The bride is a graduate of Mission High school and the young couple will make their home in the Westlake district of Daly City. The groom is the grandson of the well-remembered late MR. and MRS. FRED LUCIA, pioneers of our town who came here in 1914. Congratulations and all the best wishes on a happy future are wished the new Mr. and Mrs. Joseph Luprano by all the neighbors.

MRS. MAY BAKER of Vista Grande avenue is one of the neighbors who took advantage of the good weather to travel this last weekend. She packed her duffel bag and hopped a bus for Sebastopol to spend the weekend with her son and his family, MR. and MRS. FRANK VENTURI, who also used to live here. All May's friends are glad to know that she is well.

enough now to be traveling around again. She is one of the nicest neighbors and best of friends that anyone could have the privilege of having.

Service Men

It is always nice to hear from the boys, and the letter I received through THE RECORD last week was one of the nicest. It was from a boy I don't even know, which makes it nicer yet. Knowing the hearts of the neighbors I'm passing it along to you:

"I thought I'd inform you that I receive THE RECORD regularly and enjoy reading it more than ever. I particularly like reading your article, 'Your Neighbors and Mine,' because it brings me so much closer to home. I would appreciate it if you would put my address in this column so that I might hear from some of my buddies who are also in the service. I'm the battery mail clerk and it is a great feeling to give out the biggest morale booster of all, but I get the biggest boost of all when there is one at the bottom for me. Among my other duties is running the battery PX, and I find my job an enjoyable one considering that this isn't the best place in the world to be." It is signed CHARLES A. GOODNOL—U. S. 56201137—B Battery, 9th F. A. BN., APO 468, c/o Postmaster, San Francisco. Thanks for the letter, Charles, and I hope it brings lots of mail to you from all the neighbors.

SGT. DALE PAISLEY of the U. S. Air Forces is another of the boys who has received that coveted piece of paper meaning civilian status again. Dale received a medical discharge last week and after visiting his family here he left for Eugene, Oregon, to rejoin his wife and children. The best of luck in the future is wished to a fine young man from all the neighbors.

A 3/c EDWARD F. HARPER of Lackland Air Force Base has a new job. Instead of just typing up medical forms all day Eddie is now one of the boys in white who follow the doctors around and write down all ailments and medical data thereon. He then hands it over to someone else to do the typing. He finds this job much more interesting and if it were any place but Texas he would be very happy indeed. Relax, Eddie, it could be Korea, Greenland, or shall I go on.

PVT. JAMES JOSEPH JASTRUMSKA, son of MRS. JASTRUMSKA of Los Olivos avenue, was home for a little while last weekend on his first pass from Fort Ord. Jim looks fine and really belies the fact of how rough basic can be.

PVT. RICHARD BLACKBURN, son of MR. and MRS. BLACKBURN of Peoria street, was another of the boys who were lucky in the pass department last weekend. He surprised his family with a short visit but hopes to get home more often in the future. We hope so too, Richard.

PFC. ALBERT DISEP is not a PFC anymore. He is now a CPL and has been transferred from Fort Ord to Fort Lawton, Washington. This he likes much better and he is studying as an apprentice radar technician. Just goes to show that basic doesn't last forever.

PVT. RICHARD FITZGERALD is another of the boys who weathered the basic with Uncle Sam's army. He has also been transferred to Fort Lawton, Washington, but is attending cook's school and really does like his new job. After all, where is the best place in the Army?

News and Views

There are many milestones in a person's life and anniversaries are one of the nicest. Celebrating thirty years of happily married life on March 21 will be MR. and MRS. WILLIAM HOBBS of Riesel street, two of the nicest of neighbors. They plan a real celebration with dinner at Ricci's and of course their family will be on hand to help them. Congratulations, folks, and all the best is wished you from all the neighbors, too.

Birthdays are so much fun. This week saw MISS CATHLEEN JOANN MILLER being hostess to two parties on the event of her eleventh birthday. In the afternoon she entertained many of her friends at a party held at the home of her mother and then in the evening all her aunts and un-

cles and the rest of the family gathered to help her celebrate some more.

Had news of the FRIENDLY TWELVE again this week. They had their luncheon at the home of MRS. HILDA BLACKBURN of Peoria street. The added attraction at that time was a white elephant sale which all the ladies enjoyed very much.

The JUHS PTA board went to the district meeting in San Carlos on Thursday, March 18th. The ladies chosen to represent the board at this affair were MESDAMES ANN EASON, EVE HOBBS, EMMA DISEP, MARY WAKEFIELD, and CATHERINE MULLEN.

It's FASHION SHOW time again. Anyone who has gone to one of these luncheons in the past will certainly want to remember this date, Sunday, March 28, and it is best not to wait too long to get your tickets. The show this year will be under the service of "Westlake Fashions," "Lass and Laddie Shop" and "Towne and Beach Togg Shoppe." The clothes will be modeled by the mothers and their children and many of your friends will be among those modeling. The rest of the program consists of lunch, raffle and also many door prizes. Tickets are \$1.50 and reservations may be made by calling MRS. RUTH CRESTA, PL. 5-2810. Tickets have been on sale since March 12th, so hurry and get yours before they are all gone.

It is really surprising what children can do when they put their minds to it. Took in the Youth Art Show sponsored by the Lion's club last week. From the finger paintings done by the little ones in kindergarten to the oil and pastels created by the High school students, they were really grand. There were some that had that almost professional look and one and all should be very proud of our children. Thanks to the Lion's club for sponsoring this event and to the teachers who have devoted their time to giving the children an appreciation for some of the better things in life. Congratulations to one and all on a grand exhibit.

Well, neighbors, another week has passed in the month of March and we are now in the last half of the month. Next month brings Easter, daylight saving time and of course the big event in the lives of all the men—getting ready for the opening of trout season. Until you remember the phone is Plaza 5-6482 and I'll be waiting to hear from you. Bye now.

DC CUBS, SCOUTS OPEN TICKET SALES DRIVE

Daly City's Boy Scouts and Cub Scouts today (Friday) open their ticket sales drive for the annual Scouting Exposition at the Cow Palace April 30-May 1.

The tickets will be distributed to the various dens and troops to night and the door-to-door campaign will get underway immediately.

Individually, the scouts will be competing for six prizes awarded on the basis of tickets sold. As groups, they will be trying to earn for the Packs and Troops the substantial commissions the scout council is returning to each participating unit.

One of the highlights of the sale campaign will be the Buzz Corey theater party Thursday, April 15. The well-known radio and TV star will make a personal appearance at a special show for scouts at the Paramount theater.

The theme of this year's ticket sales campaign is "Space Race." Each ticket sold moves the seller along the path from Earth to Moon, Mercury, Venus, Mars, Jupi-

the floor. Rehearsal was dispirited and we broke up early. But the next night one of our cast brought in a hundred dollars to post with Equity, making it clear that he expected to get it back, which he did.

Suffers For Art

One of our group, whom I will call Jones since the finance company may still be looking for him, really suffered for his art. Jones borrowed \$100 from the Personal Budget Finance Company and still owed \$92 when pressure of activities connected with the play caused him to lose his job. A collector began haunting his apartment house and following him down the street, shouting:

"Don't forget Personal Budget, Mr. Jones. Personal Budget took care of you when you needed help, now you ought to pay back that \$92."

Unbelievable as this may sound, the collector's antics went on for several days, until everybody in Jones' neighborhood knew he owed \$92. Jones became so embarrassed that he gave up a desirable apartment and moved in with two male members of the cast in order to shake the persecution.

Now that the play is over, I suppose Jones is back to making payments again.

Not A Record

"All My Sons" ran ten days, not a record, but better than many similar efforts which expire after a week. It ran three days more than we expected when we arranged to rent the theatre from Will Ahern and Sid Tracy, two veterans of show business who are a great boon to the Hollywood Little theatre movement. A favorable review by a scribe named Roy Ringer in the Daily News increased patronage sufficiently to make it worth while prolonging the run.

Nobody got a movie role, which is the secret hope behind many of these cultural enterprises, but there wasn't too much disappointment since we all knew the movies are in the doldrums now anyway.

In fact the result was encouraging to most of the group and there is considerable talk about putting on another play soon. I've suggested Maxim Gorky's "The Lower Depths," which hasn't been done locally for a long time, if at all. But at the moment the more frivolous wing of the group, who favor doing a comedy, seem to be in the majority.

Considering the present state of the group's exchequer, I can't think of a more appropriate vehicle than Gorky's powerful drama of the under-financed.

CHAIRMEN EXTEND THANKS ON OLPH ST. PATRICK'S DANCE

Co-chairmen Tony Ricci, Tony Parnisano and Walt Murphy extended their thanks this week to all who attended or participated in the St. Patrick's day function held last weekend at OLPH church.

They said that more than 500 persons were on hand for the corned beef and cabbage dinner and evening of dancing, making it the most successful to date.

150th ANNIVERSARY

The year 1953 was the 150th anniversary of the discovery of the precious metal palladium by the noted British scientist, Dr. William Hyde Wollaston. Two impressive exhibits commemorated this event, one in London, England, in October, which was opened by H.R.H. The Duke of Edinburgh; the other is presently at the Franklin Institute, Philadelphia, Pa.

ter, Saturn, Uranus, Neptune and Pluto. Similar Space Races are held between Dens and Packs.

CUB PACK 62 LAUNCHES PLANS FOR SCOUTING EXPOSITION TICKET SALE

Plans are now being made by local Cub Pack No. 62 for the 1954 Scouting Exposition which will be held at the Cow Palace, Friday, April 30, and Saturday, May 1. There will be three performances: First Show, Friday evening, April 30, 7 to 10 p.m.; second show, Saturday matinee, May 1, 2 to 5 p.m.; third show, Saturday evening, May 1, 7 to 10 p.m.

A city-wide ticket sales campaign is now underway and Mr. C. Curry, president of Cub Pack No. 62, urges all of the people of Daly City to open their hearts

when the local Cubs come to your doors with tickets for his event.

Mr. Frank Prisco, cubmaster, promises that 1954 will be the biggest show the Scouts have ever had, with many exhibits of interest to everyone. There will be no charge for children under 16 years of age when accompanied by an adult. Adult tickets are \$1 each.

Prisco, 1080 Brunswick street, Daly City, can give further information desired about this event. Tickets will be available also from Prisco, in that event a local Scout does not call.

To Form New De Soto Regional Sales Area

James E. Donahue, De Soto dealer, attended the announcement of the formation of a new De Soto regional sales area in San Francisco at the Mark Hopkins Hotel on March 8. T. L. McManus, the new Regional Manager, was presented to the over 100 De Soto dealers by Mr. Paul Herpolsheimer, Jr., of Detroit, De Soto Western Sales Manager.

"The new region," Donahue said, "will have its headquarters in San Francisco and will direct De Soto sales operations in Northern California, Utah, Nevada, a section of Southern Idaho and Western Wyoming."

"Mr. McManus," said Donahue, "was formerly De Soto's Regional Manager in Syracuse, New York, a post he held since joining the company in 1945. In a parallel to his latest assignment, he was appointed to head the Syracuse Region from its formation just after the war. He entered the automobile business in 1927, his experience in car sales going back to 1935."

"Previous to the formation of the new San Francisco Region, area coverage was shared by the Los Angeles and Seattle Regions, Donahue said. "Creating this new region is another step in De Soto's sales expansion program. The new region provides greater efficiency in serving the dealers of Northern California, etc., and a closer relationship between the factory and ourselves."

Parent Responsibility Stressed at Meeting

The Crocker PTA met last week in the school library for one of its outstanding meetings of the year.

John Morgan of the Jefferson High school juvenile dept. spoke on the subject, "What Can We Do Better?" He emphasized the "parent responsibility" in the raising of youngsters and that this responsibility continues until at least the age of 18. The idea of giving a child a car at the age of 16 has been an inducement to crime of various types in order to secure the necessary finances for upkeep and operating expenses, according to Mr. Morgan's experiences. He also raised the question, "Why do children look for continuous entertainment and diversion outside the home?" The answer to this question can only be found in each individual home.

Morgan and Chief Petrocchi, of the Daly City police department both gave interesting talks which were followed by an extremely lively question period.

Other visitors at this meeting included Glen South, from Jefferson High, Lt. Beecher, Officer Schaffer and Inspector Johnstone from the Daly City police department and Lt. Beile of the San Mateo juvenile department.

Two sixth grade students from Mr. Ryans room, Charles Aiello and Anthony Guillery entertained with two selections each, played on accordians.

The first item of new business was the election of officers for the coming year. Officers elected were: Lorraine Fazzino, president; Elizabeth Kennedy, honorary vice president; Carol Freeland, recording secretary; Georgia Derham, financial secretary; Ilda Blackburn, treasurer; Olga Sciaroni, auditor; and Mrs. V. Taylor, historian.

Crocker PTA voted to buy a \$100 membership in TV station KQED.

Quite a large collection of clothing has been cleaned and prepared for shipment to the Navajo Indians. This will be sent soon.

Each Thursday, until the project is completed, members of the executive committee meet in the school library and are rebinding and repairing all the books in the library.

Delegates to the 17th district convention in June will be Miss Elizabeth Kennedy, Mrs. Lorraine Fazzino and Mrs. Anne Ingersoll.

DC Dance Director Has Varied Career

Carole Singer, dance director at the Daly City branch of the Mason-Kahn Dance Studios, 6276 Mission street, has had a long and varied career in dancing across the nation.

Miss Singer—an odd name for a dancing teacher—was a member of the famed Ballet Russe de Monte Carlo. She has taught school in Nashville, Tenn.; opened her own school on Long Island, and then conducted a summer camp on Long Island—specializing in radio, voice, and piano.

In 1943, she received an offer to take over a Fresno school, the largest in the city. She did, but a year later, migrated to San Francisco.

She soon joined the staff of the exclusive Anna Heide school in Berkeley, and sometime later, joined the staff of the Mason-Kahn Dance Studios.

It was four years ago that Mason-Kahn opened its Daly City branch in one-room at the Italia Hall. "It wasn't at all attractive,"

says Miss Singer, "and we had very few pupils. It was discouraging in those days, but gradually we kept getting new pupils. They'd tell others, and now we have a complete schedule from 1 p.m. to 9 p.m., every day except Wednesday and Sunday.

"We have 150 pupils, and three classes a day. Mr. Kahn, as you probably know, is one of the dance directors of the famous Shipstads and Johnson Ice Follies, so he really knows the dancing business.

"From that humble beginning, Mason-Kahn now has their own place, a suite of rooms at 6276 Mission—all painted in theatrical accessories, and including all the accessories of a dancing school—mats, bars, etc.

"We teach ballet, tap, acrobatics, ballroom, and baton specialty work. We also do corrective work with bad legs, help with speech difficulties. Sometimes we can help them correct these deficiencies through dancing training," she added.

S. CLARK BEISE NAMED HEAD OF BANK OF AMERICA

S. Clark Beise, son of a country doctor, and one who as a youth yearned to be a banker rather than follow his father's profession, today had achieved the highest post in private enterprise banking.

Beise has been named President of Bank of America, world's largest bank. He was elected to that office Tuesday by the bank's board of directors as successor to Carl F. Wente.

The appointment takes effect at the month end, when Wente attains the age of 65 and retires as an acting operating officer of the bank. Wente will retain his seat on the board, however, and will also maintain some of his committee appointments.

Wente had previously retired at 60, but was called back to take the presidency on the death of L. M. Giannini in August, 1952.

Eagles To Hold St. Pat. Social Saturday Night

The Fraternal Order of the Eagles of Daly City announced at their last meeting that they would hold their annual St. Patrick's social on Saturday, March 20, at Eagles hall.

Joe De Bono is chairman for the event. Admission and refreshment are free. All members and their guests are invited.

Village Notes

By Martha Planey

LOUVAINE

It was the 15th wedding anniversary for the Leroy Krueger on March 11. They celebrated by going to see Cinerama.

On March 12 a farewell dinner party was given in honor of Mr. and Mrs. Cecil Pinney at the home of Mr. and Mrs. Leroy Krueger. Those attending were Mr. and Mrs. Tom Ganter, Mr. and Mrs. Raymond Johnson, and Mr. and Mrs. Jack Hoyt of Ladera.

Mrs. Raymond Johnson spent last weekend with her parents in Fresno.

MIDWAY

All best wishes for a speedy recovery to Mrs. Vi Murphy who recently underwent an appendectomy.

Mrs. Gladys Larsen had as recent houseguests, her brother and his wife, Mr. and Mrs. Gordon Craig from Canada.

A speedy recovery is also wished for Mrs. Virginia Abbott who is in the hospital.

Friends of Howard and Helen Neilson, formerly of Broadmoor, will be interested to learn of his promotion and their moving from Altadena to Philadelphia, Pennsylvania.

Mr. and Mrs. Carlos Mattson celebrated their 9th wedding anniversary.

Jack Crofton celebrated his 8th birthday on March 13. Those attending the party were John Bennett, Kary Gladieux, Michael Boehme, Alex and Dennis Mattson, Tommy Riordan, John Travinsky, Billy, Vince and Dick and Tommy Crofton.

Mrs. Kay Mattson was hostess at a luncheon on Wednesday. Those present were Marion Fish, Pat Mattson, Irene Locke and Katie Drouillard.

STONEFORD

Mr. and Mrs. J. J. Horn are the proud parents of a baby boy born Feb. 1 and weighing 8 lbs., 11 ozs. His name is Jaime.

MANILA

Michael Groen celebrated his 6th birthday on March 5.

BRADLEY

Week before last was a busy birthday week for the McDonalds. Judy celebrated her sixth birthday at a luncheon party with Lee and Jay Elliott, Jackie Merish, and Nina Cheda. Kenny celebrated his tenth birthday at a theater party with Michael Cheda, David Peebles, Susan Chaucey, Cecelia Merish and Jon Williams.

WASHINGTON

The John LePines got their green parakeet back. Mrs. Virginia Gnesios on Sweetwood drive caught it at her home.

Jerry Krawetz celebrated his sixth birthday on March 13.

SWEETWOOD

Diane Johnson celebrated her seventh birthday on March 14.

Mommy

Mommy, I'm getting old enough now to take dancing lessons. And I'm a good girl, aren't I? Would you let me take lessons at Mason-Kahn, 6276 Mission... they teach children real good, and mommies and daddies, too.

SUSAN MASON-KAHN Dance Studios 6276 Mission, D. City, UN. 1-2110 ADULT CLASSES, TOO!

LIONS HELP GET GIRL SCOUT COOKIE SALE UNDER WAY

HELPING LAUNCH the Girl Scouts' annual cookie sale are members of the local Lions club. The cookie sale drive will begin March 27, and the Scouts will appear before the Lions

at their luncheon meeting March 31. Last year the Lions purchased 200 boxes from the girls. Shown here (left to right) are Lion President Walt Rector, Susan Rudometkin, Sherri New-

ton, Lynn Antonio, Dona Phelps, Yvonne Joaquin and Lion Joseph Belli Jr. The Scout are members of Daly City Troop 148. Leader is Mrs. Mil Antonio. THE RECORD photo

MACARTHUR

Mr. and Mrs. Joseph Monks celebrated their twelfth wedding anniversary on March 14.

FOOTHILL

A surprise baby shower was held at the home of Mabs Guz on Friday night in honor of Darlene Brand. Those present were Doris Cook, Arnie Dailey, Maurine Guymon, Vivian Leech, Norma Wandt, Marge Chiosso, Carolyn Bennett, Mary Salez, Ruth Jones, Lita Muller, Fran Dethlefsen, Doris Chichester, Helen Easterbrook for Palo Alto, Mrs. Dorrington from Orinda, and Darlene's mother, Mrs. Kay Koska.

A dinner party in honor of Mrs. Paul Peterson was held at the home of her brother, the Trevor Jones, on Saturday night. Those attending were Mr. and Mrs. John Mac Gillwary of San Francisco, Mr. and Mrs. Ray Finley of Los Altos, Mr. and Mrs. Art Stockman of San Francisco, Mr. and Mrs. John Peacock of Redwood City, and Mr. and Mrs. Paul Peterson of Southwood.

On March 11 the Brownies held a dad-daughter dinner at the Community church. There were about 120 attending.

Hannah Circle met this Wednesday evening at the home of Mrs. George Irvine on Garden Lane. Ruth Circle met this Thursday evening with Mrs. Warren Baker on Foothill drive.

Don't forget the fashion tea to be held Saturday, March 20, at the Jefferson High school auditorium. This event is put on by the James Snell PTA.

Fashion Ensembles On Display at Show

Towne & Beach Tog Shoppe, Lass and Laddie, and Westlake Fashions ensembles will be displayed at the annual Spring Fashion Show given by Our Lady of Perpetual Help School Mothers' club on Sunday, March 28, at 1 p.m. in the school hall, 80 Wellington avenue.

The very latest spring and summer wear will be modeled by members of the club and their children. One of the highlights of the show will be a First Communion outfit from Lass and Laddie. This ensemble was a "hit" last year and the viewers will find various other children's wear at very reasonable prices.

Members of the club have been working very diligently to put on this show before the Easter season. Committee chairmen are Mrs. Leon Fellman and co-chairman, Mrs. Tony Ricci, luncheon; Mrs. Michael

Cubic, door prizes; Mrs. Garth Sallade, printing; Mrs. W. J. Carlington, tables; Mrs. James H. Hansen and co-chairman, Mrs. William Oxendine, hostesses; Mrs. Merwin Cresta, reservations; Mrs. John Mosman and co-chairman, Mrs. Peter Lofrano, decorations. Mrs. Garth Sallade and her Brownie troop are preparing the programmes.

Everyone will remember the excellent commentating last year by Mrs. Achilles Liberti, and she has consented to accept this position again.

Reservations may be obtained by contacting Mrs. Merwin Cresta at PL. 5-2810 or by writing to the Mothers' club at 80 Wellington avenue.

An excellent luncheon which will be served, entertainment and many door prizes will enhance the afternoon.

EXCEPTIONAL CHILD DISCUSSED AT PTA MEETING

Mrs. Glenn Butler, vice-president, opened the regular monthly meeting of the Bayshore PTA March 10, in the school auditorium. Mrs. Dominik Caloiaro, president, is being congratulated on the birth of her seventh child, a girl, born March 6, 1954.

Guest speaker was Mr. William Herbig from the El Portal school for the handicapped. He spoke on the "Exceptional Child."

New officers for the ensuing year were elected. Mrs. Wayne M. Liebert, president; Mrs. Marse Datzman, vice-president; Miss Dorothy Fitzgerald, honorary vice president; Mrs. F. T. Barbara, recording secretary; Mrs. John Pleskach, treasurer; Mrs. E. M. Hanschman, financial secretary;

Mrs. W. L. Cotton, corresponding secretary; Mrs. Glenn Butler, historian; Mrs. K. Brachna, auditor.

Delegates to the state convention to be held in San Francisco were elected. Mrs. W. M. Liebert, Mrs. M. M. Datzman, and alternate Mrs. E. M. Hanschman.

Six delegates were chosen to attend the 17th district convention in San Carlos. Those making the trip were Mrs. W. M. Liebert, Mrs. M. M. Datzman, Mrs. John Pleskach, Mrs. E. M. Hanschman, Mrs. B. A. Paine, and Mrs. Pauline MacMillan.

The annual teachers' luncheon will be held March 31. At the close of the business meeting refreshments were served by Mrs. L. C. Malloy and Mrs. W. L. Cotton.

The next regular event is March 26, executive board meeting at 10 a.m. in the teachers' lunch room. Plans will be discussed for the installation of new officers at that time.

COLMA SCHOOL NEWS

MISS PALMER'S ROOM

Our class combined English and Reading, and gave skits on Manners. Table manners and telephone courtesy were the themes chosen by most of the groups.

Here are some of the rules that were enacted.

On the telephone:

1. Talk in a pleasant tone of voice. Not "through your nose."
2. Say "yes" or "no," instead of "yeah" or "uh-huh," etc.
3. If you dial the wrong number, don't slam the phone down, but say "Oh, pardon me, I must have the wrong number."
4. When you're calling someone, introduce yourself, if the person calling forgets to do this, don't demand, "Who is this?" or "Who's calling?"

At the table:

1. Cut your meat, but not all at once.
2. Keep hands out of your food, your mouth, and away from your hair.

Many of these rules were shown in true to life examples.

—Kathy Macklin

MR. SONNEBORN'S ROOM

Our class is playing speedball and volleyball during physical education period.

The class is doing quite a bit of group work in their social studies. They are learning how to get along with others.

The class is looking forward to going on regular session.

We have been taking tests all week in preparation for report grades.

—Barbara Hansen

MISS CASTILLO'S ROOM

In our science studies we have been studying about how plants, animals, and insects get their food. One of the most interesting eating habits is that of the cow.

The stomach of the cow has four chambers. First the cow swallows the food. It goes through the first chamber. Then the food goes back to the mouth as cud. There it is ground by the molar teeth and mixed with saliva. Then the food passes through all four chambers.

—Philip Ziegler

MR. WALTER'S ROOM

We have been watching with interest the new buildings being built at Colma School. From outside appearances it looks like we will be moving in them soon.

We feel it will be nice to have our own room for a change although it means going to school a full day. It has been difficult to keep track of our own things and we feel that having only one class in each room will be a big help.

—Tanna Funes

MR. TERGIS AND MR. SOBOLOV'S ROOM

Our social studies period is our first period in the morning. We have eight groups. My group is the sixth group. We are studying about industries and crops of Italy. These two subjects are very interesting. The seven other groups are studying subjects that are completely different. There are four persons in each group, two boys and two girls. One group has five people and is studying the Roman Empire. But everybody is studying something in connection with Italy.

—Carolyn Kesler

—Linda Oliver

MR. MOSCONI'S ROOM

Our class has been working on a number of projects in social studies. We are studying American inventors. A committee of three is working on each project. Each committee is required to help illustrate their project on a big sheet of paper, write a composition about it and help to gather material for a scrapbook.

Some of these projects include, the Automobile, the steam engine, the sewing machine, the telegraph and the telephone.

—Vicki Tomasi

MISS BRENNER'S ROOM

Lately in Miss-Brenner's seventh grade we have chosen five committees. Five or six people are on each committee. There is one committee to teach school day. After the person reporting is finished, two specially appointed girls staple the news clippings on the bulletin board, and we have time to look at them. We are happy with them and hope we will get to continue with this activity.

—Naomi Owenby

—Catherine Moresco

Easter Fashions On Display Saturday

Preview of Easter fashions and play clothes will be shown at the Westlake PTA Fashion Show this Saturday.

A few reservation tickets are still available and may be obtained by calling the chairman, Mrs. Frank Verducci, at Plaza 5-5513.

The time is 1:30 p.m.; the place, the multi-purpose room of the Westlake school.

Mrs. Fred Kruse, president of the unit, invites everyone interested in lovely fashions to be present at this outstanding event. Tickets are \$1.25 and donation tickets are 75c, with all profits going to the school.

Commentator for the show will be Mrs. Blanche Lagomarsino of the Westlake Dress Shop. Music will be provided by Mrs. Joseph Futernick, soloists, and a professional string trio. Models will show cocktail gowns and furs, knits, cottons and play clothes. Children will model lovely Easter fashions. Mrs. Ralph Sylvester, refreshment chairman, and Mrs. Harry Bosbery, decoration chairman, have been working to add to the pleasure of the afternoon.

"Join the crowd and meet your friends at the Spring Fashion Tea on Saturday," the PTA said.

Mrs. Kruse, accompanied by ten delegates, will attend the annual convention of the 17th district on Thursday, March 18, at San Carlos Central school. Officers will be nominated and elected to serve the district for the next two years.

Mice Held Vtally Important In Fight On Cancer

Could you support a mouse for a year or part of a year? He wouldn't be an ordinary mouse.

This is one mouse with a pedigree. For a hundred generations, scientists have been studying this mouse's forebears to see what part, if any, heredity plays in cancer.

To feed and shelter this mouse for 365 days will cost \$3.00.

The American Cancer society supports thousands of such mice who are vitally important to many areas of cancer research, and the American Cancer society finances the scientists who work with them.

\$5 supports a mouse for a year. \$2.50 supports a mouse for half a year.

50c supports a mouse for a little over a month.

If each of us will support a mouse for a year or part of a year, sufficient funds for this important fight against cancer will be raised, the society said.

Cancer strikes one in five.

The American Cancer society starts its drive on April 1. No amount is too small. The group said they are appreciative and thankful for all contributions.

PROPOSED \$1,000,000 Catholic church to be constructed in the Westlake area is shown here in master plan by Architect Vincent G. Carney, P.A., architect.

Schedule Of Lenten Services Continues At Lutheran Church

The schedule of Lenten services, under the guidance of the Rev. Darrell Schultz, will continue every Thursday evening from 7:30 to 8:30 p.m. at the Lutheran Church of Our Savior at Junipero Serra and Garfield at San Francisco.

The regular Sunday services at 10:45 a.m. will at present be in the care of Minister Aspirant Robert Varblow.

DR. HARRIS OPENS BROADMOOR OFFICE

Dr. E. K. Harris, recently released from military service, has opened offices for practice of medicine, surgery and maternity at the Broadmoor Medical-Dental building.

Originally from Denver, where he had medical and surgical training at the University of Colorado, followed by hospital training, Dr. Harris now resides in this area. He lives with his wife and four children.

Dr. Harris, a family physician, will also maintain evening hours at the Broadmoor location.

Theological Professor Grace Church Speaker

Dr. John Wick Bowman, professor of New Testament Interpretation at the San Francisco Theological Seminary, San Anselmo, Calif., will be the speaker at the 11 o'clock worship service at Grace Presbyterian church, Crocker and Winchester streets, Sunday.

Dr. Bowman will use as his sermon subject "Our Presbyterian Youth and Christian Education" sermon text Philomel 6:9-24. Scripture reading Psalm 119:24.

Third In Lenten Series Wednesday For Hope Lutheran

The third in a series of six mid-week Lenten services will be held next Wednesday evening at 7:00 o'clock in the Broadmoor community center. These Lenten devotions are sponsored by Hope Lutheran church.

The pastor, Louis C. Marting, will deliver the third in the series, "How The Cross of Christ Changes Our Lives." This week the subject will be, "The Cross Changes Hate To Harmony." The choir will offer special Lenten music at these devotions.

Those who wish to have the special opportunity to find the Christian Gospel during this holy Lenten season are especially encouraged to attend these brief evening moments of prayer, song and meditation.

Village Churchmen Plan "Darktown Jamboree"

The Village Churchmen of Broadmoor Community Presbyterian church announce holding of "The Darktown Jamboree" minstrel show on April 1 and 2, beginning at 7:30 p.m. on both nights.

Popcorn, peanuts and soft drinks will be provided at the headnote.

Residents have been invited to bring their children and neighbors to what has been billed as the "biggest-funniest, evening you've had in a coon's age."

The churchmen said that limited seating makes it necessary for reserved tickets to be purchased.

DIVIDED LENTEN MISSION HELD AT ST. MICHAEL'S

A divided Lenten Mission of two weeks began at St. Michael's church, Broad street and San Jose avenue, on Sunday. Two members of the Paulist Fathers Mission Band of San Francisco are the preachers of the Mission, the Rev. J. Goldwin Moir, C.S.P., and the Rev. James B. Corbett, C.S.P. The first week was devoted to the women of the parish, while this Sunday's session will be conducted for the men.

This program is sponsored by the teaching staff of Hope Lutheran church. While work is being done on the new church plant Sunday school sessions are conducted weekly in the Broadmoor Community Center, White street near 87th at 9:45 a.m. Bible classes for teen-agers and adults are held at the same hour. The worship service begins at 11 a.m.

ANNOUNCE START OF AWARDS AT LUTHERAN CHURCH

In the interest of giving the children of this community the opportunity to earn for themselves Christian literature, Christian books, Bibles, games, Scripture-text pencils, and many other similar items, Hope Lutheran Sunday school announces the beginning of an award program which will give each child enrolled in the Sunday school the opportunity to select and to work for awards of their own choice.

Each Sunday every child has the opportunity to earn three Scripture reward tickets: One for attendance in Sunday classes, another for learning memory assignments at home during the week, and a third for attending church services. A display will be exhibited each week at Sunday school giving each child the opportunity to view and elect the object for which he will save his awards cards.

This program is sponsored by the teaching staff of Hope Lutheran church. While work is being done on the new church plant Sunday school sessions are conducted weekly in the Broadmoor Community Center, White street near 87th at 9:45 a.m. Bible classes for teen-agers and adults are held at the same hour. The worship service begins at 11 a.m.

Factors Which Influence TV Shows Told Snell PTA

There are a lot of things which influence the selection of shows which come into the family living room by way of the TV set, not the least of which is constructive criticism from the viewing audience, as well as complaints.

A panel of program directors from the Bay Area television stations, including Bill Dempsey, KPIX, Doug Elleson, KRON, and Jonathan Rice, KQED, discussed this point along with others at the March 10th meeting of the James L. Snell PTA.

Some 100 members filled the multi-purpose room of the Garden Village school, and learned that local television stations have the problems of audience response, sponsor satisfaction, network contractual rulings, maximum audience times and finances to consider every time a show is scheduled.

In answer to questions previously sent in and those asked from the floor, the panel, with Thomas Jenkins as moderator, brought out the point that television offers many educational and cultural shows, as well as westerns, Howdy Doody, space shows and old movies; these possible various influences on children must be determined by a matter of selectivity in the home. Parents can choose shows for small children and encourage older children to pick good ones themselves. Not the least help in this selectivity is the idea of turning off the television set and encouraging other activities and interests.

TV is like anything else—it must be used in a matter of degree at appropriate times, and not as a sort of constant sop for the attention of restless children. Some shows can be used as a stimulus for projects which can be carried out in the home; some are simply to be enjoyed, without any deep significance; some are definitely teaching ideas or facts, about historical or present-day events and people.

The old saw about pleasing some of the people some of the time is

truer nowhere than in the field of television. (Note: Educational TV station KQED hopes to be on the air in May.)

In addition to the very interesting program, new officers for the coming year were elected. They are: President, Mrs. Raymond Dust; vice-president, Thomas Jenkins; recording secretary, Mrs. Larry Frieberg; financial secretary, Mrs. R. N. Hilton; corresponding secretary, Mrs. Carrie Schneider; Garden Village teacher; treasurer, Mrs. John Hess; auditor, Mrs. Otto Krwetz; auditor, Dr. George Warner.

Another hot dog sale was scheduled for Thursday, March 25, and a luncheon for the teachers will be held sometime in the near future. The membership also voted to hold a May carnival to raise funds for summer recreational purposes.

Membership in the unit was announced as 513, and Mrs. Sundman's class won the February attendance prize. Membership prize for this meeting went to Miss Bryant's class. Thanks were extended to the students of the Benjamin Franklin school for making posters for the February meeting.

An appreciable proportion of the 1953 production of chromium-nickel stainless steels was required for the defense programs. As nickel becomes available in larger quantities for civilian uses, there are indications that manufacturers of products for the architectural, appliance and utensil fields will return to the nickel-containing types of stainless steels because of their good fabricating characteristics and other outstanding properties.

NOTICE OF INTENDED SALE

TO WHOM IT MAY CONCERN:

Notice is hereby given that on Tuesday,

KENNEDY THREATENS THUR IN KEG LEAGUE

Taking a pair of games from Vince & Fred, Kennedy Electric threatened the first-place hold of Thur Meat Co. Tuesday night in the Daly City-Colma Bowling league at Brentwood.

Thur Co., meanwhile could manage to eke out only one win over Carlos Pizzeria, to reduce their margin by only one over Kennedy. Thur now has 44 wins, 31 losses, while Kennedy has 43 wins, 32 losses.

The Orphans surprised in the evening's rolling by taking three straight from Lombardi Auto Service. Chief cog in the Orphans machine was Bacci Rocchetta, who rolled a near-record 623 high individual series. He put together games of 223, 224 and 176 to fashion this effort. Bocchetta barely missed the league record of 636 held by Babe De Luca.

Another triple winner was King's Market, with Adeline

Market the victim.

High individual game went to Bill Fillippi with a 233.

The Daly City Eagles bowled high team game rolling a 917 with an 83 spot. King's Market shot a 916 from scratch to rank a close second.

High team series went to Ralph's Cleaners with a 2731.

News From The Parks

After postponing the first four games of Westlake's Intramural Basketball League, the fella finally were given the opportunity of initiating this new tournament.

The Class B boys, ranging in age from ten to thirteen, had to forego all games this week and hope to start without interruption on Tuesday, the 16th of March.

Our Class A league, however, who range in age from fourteen through seventeen, finally opened their schedule on Friday. If the first round played is any indication of games to come, this tournament should be a tremendous success.

In these games, which are regulation in time and appropriately referred, the score changed hands continually. The game Friday, which deserves considerable mention, ended with Team A defeating team D, 56 to 54. Team A, which is composed of Ted Amerkan, Jim Dougherty and Marty Finnerty, did a beautiful job of sustaining a fourth quarter drive by team D. This team, which consists of Winky Hillis, Mud Funkhouse and Al Ty-

ler, were down by as many as ten points in the third quarter and seemed certain to be easy victims for Ted Amerkan and Co. However, Mud and Winky started connecting on hookshots and push shots respectively to rack up enough points in the last quarter to actually pull ahead by two points. It was at this point that Ted, who accumulated 36 points, came through with a jump shot and lay-up and was given appropriate assistance by Jim Dougherty's twenty-five foot push shot. In a great losing effort, Winky Hillis, after a slow start, managed to mesh 32 points. Mud and Jim gathered in 20 apiece.

The second game, though not as dramatic, did prove quite interesting as Dave Herzog poured 42 points through the hoop. He was supported by Vance Bianchi who got 14 and Ross Holmgren who had 4. Team B then, with 60 points, easily defeated Team C who could only accumulate 26 points. High point man for Team C was Steve Opperman with 10. One big reason for the point difference between these two teams was the absence of Don Benedict. The schedule is a round robin affair and the deciding championship game still has a great deal of aggressive competition before properly attaining this title.

WESTLAKE CUBS WALLOP PACK 61

Westlake's Cub Scout Pack 248, behind the seven-hit chugging of Jess Tambor, scored a resounding 11-6 win over Pack 61 Saturday in a softball contest at Aptos Jr. high school.

W. B. Dunan's local diamond club forged ahead in the fourth inning, after being held to a 3-3 stalemate up to that time.

The Westlakers pushed across two runs in the fourth, four in the sixth, and two in the seventh inning.

Pacing the local Cubs' 14-hit attack were Catcher Clark Deerman and Third sacker Don Bosberry. The slugging backstop got three singles in five trips to the plate, while Bosberry whacked out two for five, one a round-tripper coming in the final frame with one runner on.

This Saturday the Pack 248 nine will meet a tough Broadmoor team, Pack 84, in a set-to at Jefferson high stadium, beginning at 1 p.m.

Pack 84 will be the toughest test to date for the Westlakers. Last year the Broadmoor youngsters won the West of Twin Peaks Softball Cub league and appear just as strong again this year. They are managed by Bud Christman.

WORST TIME FOR ACCIDENTS

The deadliest period of the day for traffic accidents is from 4 p.m. to 8 p.m., according to the California State Automobile Association. Almost 28 per cent of all fatal accidents occur during these hours. Some of the reasons for this are fatigue of drivers, impatience of workers on their way home and the large number of pedestrians in traffic at this time.

NAME OFFICERS FOR JEFFERSON HIGH SCHOOL PTA

At the regular meeting of Jefferson Union High School PTA last week the new officers for the ensuing term were elected.

Mrs. Robert Pool was elected president, Mrs. Roy Edwards, vice president, and Stanford Hannah, district superintendent, honorary vice president.

Mrs. James Mullens was elected recording secretary, and Mrs. Fred Kruse, corresponding secretary.

Mrs. Anthony Gaggero will be treasurer, Mrs. Fred Bertetta, financial secretary, Mrs. A. A. D'Isop, historian and Mrs. Marjorie Reardon, auditor. The newly elected officers will be installed at the meeting April 8, when they will take over their new duties.

The school faculty presented the program. A play "High Pressure Area," dealing with teen-age problems and the atmosphere of the home was presented. After the play there was a panel discussion with teachers and members participating in the discussion.

Mrs. Everett S. Heagney, president, and 10 executive board members will attend the district convention at San Carlos, March 18.

DURABLE MONEL ROOF

When New York's Pennsylvania Station was built, Monel, a nickel-copper alloy, was used for the entire roof over the main waiting room and arcade except for the skylight frames. These frames gradually disintegrated from atmospheric corrosion. But the Monel roofing shows no sign of corrosion, pitting, or embrittlement after more than 43 years of exposure to the same conditions.

Sampson Retains Title In Jefferson Slugfests

CIARLANTI UPSETS CHAPMAN IN 135 POUND CLASS; GARNETT TOPS MORRIS

A crowd of 600 persons jammed the Jefferson High gymnasium Friday to watch seven slam-bang boxing matches, topped by the 170-pound division clash between Harry Sampson and Larry Conway, which found Sampson winning via the unanimous decision route, to retain his title.

The pair, who fought for the same title last year, with Sampson winning a split decision, provided the crowd with a pleasing exhibition as both boys were staggered several times during the three-round go.

Both Jolted

In the first two stanzas both boys received severe jolts, and Southpaw Conway caught his opponent with a left upper-cut in the last round that had Sampson reeling. But Sampson rallied to finish fast and put Conway on the defensive with some clean, hard blows that dazed Conway.

Another top match found Byron Garnett eking out a split decision over Bob Morris in the 126-pound class. The fight was even going into the third canto when Garnett employed a variety of boxing skills, chiefly a strong uppercut, to gain the judges' verdict.

Just as close was the wide-open 135-pound contest between Darrell Chapman and Ralph Ciarlanti. Ciarlanti, a sophomore, upset the three-time champion in a split decision. The youngster's main advantage in gaining the judges' nod was his aggressiveness as the outcome was in doubt all the way.

Defends Crown Bill Pushman successfully defended his crown in the 112-pound class by pouncing out a unanimous decision over Bob Phillips. Pushman looked the champ that he was as his boxing experience plainly bewildered his opponent.

Displaying a sharp left jab, Sophomore Bruce Lovagziano won a unanimous decision over Freshman Richard Ciarlanti in the 118-pound bout.

The 145-pound battle ended abruptly as Bob Wilhoite stopped Dick Hosking cold in the opening minutes of the first round. Wilhoite battered his opponent with nearly a dozen solid blows as the round opened, then finished things with a solid right upper-cut.

Another "Fatality" was Amil Toscanelli, who was TKO'd by Carl Miller in the 160-pound division fray.

Toscanelli was greeted with a flurry of fists as he entered the ring and caught practically every punch Miller threw, with disastrous results.

The matches, put on by the Block J society, netted \$135, which will go to purchase awards for the society.

Howard Miguel, Glen South and Byron Van Alstine acted as judges.

Refereeing was Joe McGrath, while Lou Martin and Tony Giammona were seconds.

Mike Orlich supervised the boxing program.

Jefferson Seniors To Visit College Campus

Jefferson Union High school seniors have this week been invited to visit San Mateo Junior college on Wednesday, April 7.

For that day the Associated Students as hosts are preparing a program of events which will acquaint the seniors with courses offered at the college and with student organizations and activities.

Sara True, chairman, and her committee, announce that the scheduled events include an assembly, luncheon and social hour as well as visits to classes.

CHIEF NICKEL PRODUCER

It is estimated that Canada's output of nickel in 1953 reached 285,000,000 pounds, or about 85 per cent of the free world's total production.

WHY
Will I Cast
My Vote
For
Sanford
G. VICKERS?

Ben Woodward Grocer

"The trouble with Daly City's government is that there isn't enough of it. We need people in there who'll work at this business of government. That's why I think Sanford G. Vickers is the man for the job. He's a worker and, what's more, he's sincere. That's why I'm casting my vote for Vickers."

Cub Scout Pack 241 Plan "Space Race"

Cub Scout Pack 241 is all agreed for the "Space Race" under the direction of Fred Tarens, who plans to lead his group in sales of tickets for the annual Scout Show to be held at the Cow Palace, April 30 and May 1.

Boys will compete on a unit level with Packs, Troops, etc. Inside the unit, the race will take place between Dens, Patrols and Crews and between individual boys.

Phone Mr. Fred Tarens, PL. 5-5985, for a ticket which will help Pack 241 reach first place in the "Space Race."

"If you have a boy of scouting age or one who will eventually become of age, follow Pack 241 to the Scout Show and see the wonderful display of skills, crafts and good living which these children are enjoying. Its educational and pleasurable for the whole family," Scout leaders said.

Local Scouts Will Join In Honor Program March 26

Daly City area boy scouts will join with others from Lake Merced district in a public court of honor program at Aptos Junior High school Friday evening, March 26, at 7:30 p.m., according to an announcement by Dr. J. E. Rathbun, advancement chairman.

Star and Life scout awards will be presented to about 20 scouts from the district, along with dozens of other lesser awards. Each troop is holding a board of review in preparation for the court, Dr. Rathbun said, with awards to be presented by members of the district's advancement committee and other scout officials.

Special feature of the March 26 court of honor will be the showing of the two-reel sound and color movie of the 1953 National Jamboree, attended by seven troops of boys from the San Francisco Council.

"This picture gives emphasis to many of the values of the scouting program for boys," Dr. Rathbun said, "and should prove interesting to troop leaders, parents and friends of scouting, in addition to boy scouts and cub scouts, many of whom hope some day to take part in a National Jamboree. I hope everyone interested in the scout program will take this opportunity to see this graphic and human report on the great Scout Jamboree held at Santa Ana this past summer." In addition to the regular awards to individual scouts, Scout Week window decorating awards and 1953 camping awards will be made to qualified troops in the district.

DELBON NAMED TO ALL NORTHERN CAL

Don Delbon, Jefferson high school basketball star who was last week named top player in the Peninsula Athletic league, received further honors this week.

He was selected to the second team of the All-Northern-California mythical basketball squad.

Police Find Stolen Car Abandoned Here

An abandoned auto reported stolen by a San Francisco woman was recovered in Daly City this week by local police.

Officer Gerald Schaeffer picked up the vehicle at 498 Southgate drive this week after a resident of that area reported the auto had been left abandoned there for two or three days.

Registered owner is Mary Dempsey, 33 Noreiga avenue, San Francisco.

Mace forms a lacy pattern around the shell within which the nutmeg grows.

ZUGAR'S

MAINTAINING THE FLYWAY

WATERFOWL MANAGEMENT AREAS HELP MAINTAIN THE FLYWAY BY PROVIDING FEEDING, RESTING AND NESTING GROUNDS.

DRAINING OF MARSHES FOR MAN'S USE HAS REDUCED DUCK HABITATS ON THE PACIFIC FLYWAY, ONE OF THE WORLD'S GREAT WATERFOWL MIGRATION ROUTES.

CALIFORNIA HAS MORE DUCK HUNTERS THAN ANY OTHER STATE. PUBLIC SHOOTING GROUNDS ON 14 FEDERAL AND STATE AREAS HELP THE UNATTACHED SHOOTER.

CROP DAMAGE IS LESSENED WHEN DUCK FEEDS ARE AVAILABLE IN MANAGEMENT AREAS.

Old, New Collide In Alemany Accident

Two eras of transportation came together with a resounding smash on Alemany boulevard near the Westlake Shopping Center this week.

John Thornagle, 68, of 1088-A Capp street, San Francisco, was driving up Alemany west toward Skyline, minding his own business when he was hit from the rear by a vehicle driven by Fred William Ball, 43, of 216 Arroya drive, Sharp Park.

Neither driver was cited, however, since Ball was driving a late model automobile, while Thornagle was holding the reins for a haywagon.

Goods valued at \$54,267.07 were imported through the San Francisco Customs District in 1952 from Brazil.

Appoint Chairman For County Fair

Adam Lowry has been appointed chairman of the San Mateo county Fair and Floral Fiesta's schedule committee, Fair President Anthony Gaggero of Daly City announced today.

Lowry is a member of the board of directors of the San Mateo County Fair Association. The committee is considering recommendations for changes in the 1954 premium schedule to coordinate professional floral displays with new plans for this year's Fiesta which will be held August 6 through 14.

A group of peninsula garden club representatives are also meeting with Mrs. Kenneth Lauder, chairman of the amateur division, to contemplate recommendations for changes in the amateur

schedule.

"We are laying the groundwork for one of the biggest and most outstanding Fiestas ever presented in the county," William M. Wilson, Fiesta manager, stated today. Frequent conferences with representatives of San Mateo county's flower industry, with leaders of peninsula garden clubs and with Douglas Baylis, the Fiesta's new designer, have been on the past month's agenda for Wilson. He has recently returned from Sacramento where he reviewed the 1954 Fiesta budget with the Finance department of the Division of Fairs & Expositions.

Plans are progressing in every division for the county's big annual show, Wilson indicated. Reservations for commercial space in the Home and Industry building and other commercial areas on the fairgrounds are being received daily at the Fiesta office.
